Lyttelton Port Company Infrastructure Levy effective 1/1/2021

Dear Customers,

Please see attached notice issued by Lyttelton Port Company advising the introduction of infrastructure levies effective from 01 January 2021. These levies apply for all FCL cargo (excluding transshipments) stevedored through Lyttelton port.

The infrastructure levy will be charged to all shipping lines and consequently Pacifica is required to recover these amounts.

As you will note, LPC will also introduce a separate surcharge of \$12.50 per container for receiving & delivering containers at the port via road or rail.

LPC will bill R & D fees directly to trucking companies and Kiwi Rail respectively, therefore Pacifica cartage rates at Christchurch will be adjusted accordingly.

To recover the administration for processing this levy, Pacifica's administration fee will be revised from \$30.00 to \$35.00 per booking for all Lyttelton FCL bookings effective 1/1/21..

To summarise ; the new charges effective from 01 January 2021 are as follows :

Charges	20'FCL	40'FCL
LPC Port Infrastructure FCL levy	\$34.50	\$69.00
LPC Reveal & Delivery Fee	\$12.50	\$12.50
Pacifica Booking Administration fee	\$35.00 per booking	

All charge subject to g.s.t

If you have any further questions with regards to the above, please do not hesitate to contact your Pacifica Shipping representative.
