Pacifica Rate Review

Dear Customer,

In order to continue delivering New Zealand's premium dedicated coastal service connecting key North & South Island markets, it is necessary to announce a General Rate Increase effective 15 April 2022 as follows :

Southbound

NZD 250 per 20'

NZD 450 per 40'

Northbound

NZD 145 per 20'

NZD 250 per 40'

Subject to GST

First sailing : MV Moana Chief 4388/89

The decision to adjust pricing at this time has not been an easy one ; Pacifica acknowledge the current challenging trading conditions and have endeavoured to defer the implementation and mitigate the full impact of escalating operational expenditure.

However, this cost recovery is essential to maintain Pacifica's ongoing commitment to provide our customers with market leading schedule reliability and dependable access to New Zealand's most environmentally sustainable transport solution.

Thank you for your valued support and if you have any questions with regards to the above, please do not hesitate to contact your Pacifica representative.

Yours sincerely
