Port of Tauranga Infrastructure & Insurance Levy

Dear Customer,

Please be advised that the Port of Tauranga (PoT) are introducing a Port Infrastructure & Insurance Levy for FCL's moving through Tauranga port.

PoT advise these fees are required to fund their capital investments to increase capacity and improve efficiencies including extending berth at Tauranga Container Terminal (TCT) . The insurance levy component is to accommodate increasing premiums.

Consequently, Pacifica will be introducing a new surcharge to recover the PoT Infrastructure & Insurance Levies at the following amount :

Effective 01 July 2022
Per teu
NZ\$25

Subject to g.s.t

Please contact your Pacifica representative of any questions.
